

NASA Kentucky RFP-14-004

EPSCoR Program

Research Faculty NASA Travel Opportunity

Objective: Research Faculty travel awards will be awarded to faculty interested in expanding collaborations with NASA. To build relationships between Kentucky and NASA Researchers, this opportunity solicits applications for stipends to support Kentucky research faculty travel to visit NASA researchers at a NASA facility.

Eligibility: Applications will be accepted from faculty at institutions of higher education in Kentucky. Eligibility is not limited to NASA Kentucky Space Grant Affiliate Institutions. US Citizenship is not required.

Travel Grant Budget: No budget submission is required.

Non-University of Kentucky Faculty: Stipends will be paid to the participant after the travel and upon receipt of a brief report consisting of a summary of the experience and spreadsheet entries (email summary and spreadsheet to nasa@uky.edu). Recipients are responsible for all transportation, lodging and meals. Recipients are responsible for documenting travel expenses for income tax purposes.

University of Kentucky Faculty: Travel must be arranged per UK Travel policies for reimbursement up to the amount of the stipend. A brief report consisting of a summary of the experience and spreadsheet entries is required for reimbursement (email summary and spreadsheet to nasa@uky.edu).

Deadlines: Applications due by email at least one month before the planned travel dates. Selection will be made within one week of receipt of application. Applications will be accepted until July 15, 2015 and travel must be completed by August 31, 2015.
