EPSCoR Program

Research Faculty NASA Travel Opportunity

**Objective:** Research Faculty travel awards will be awarded to faculty interested in expanding collaborations with NASA. To build relationships between Kentucky and NASA Researchers, this opportunity solicits applications for stipends to support Kentucky research faculty travel to visit NASA researchers at a NASA facility.

**Eligibility:** Applications will be accepted from faculty at institutions of higher education in Kentucky. Eligibility is not limited to NASA Kentucky Space Grant Consortium Affiliate Institutions. US Citizenship is not required.

**Travel Grant Budget:** No budget submission is required.

**Non-University of Kentucky Faculty:** Stipends will be paid to the participant after the travel and upon receipt of a short summary of the experience (email summary to [nasa@uky.edu](mailto:nasa@uky.edu)). Recipients are responsible for all transportation, lodging and meals.

**University of Kentucky Faculty:** Travel must be arranged per UK Travel policies for no more than the amount of the stipend. A summary report is required for reimbursement.

**Deadlines:** Applications due by email at least one month before the planned travel date. Selection will be made within one week of receipt of application. Applications will be accepted until May 15, 2013 and travel must be completed by June 30, 2013. **Deadlines extended to May 15, 2014 and June 30, 2014, respectively.**
