

**NASA KY EPSCoR: NASA Travel Opportunity for Kentucky Research Faculty**

**Objective:** Research Faculty travel awards support faculty interested in developing and expanding collaborations with NASA that contribute to strengthening Kentucky’s NASA-related research capacity. To build relationships between Kentucky and NASA Researchers, this opportunity solicits applications to support Kentucky research faculty travel to visit NASA researchers at a NASA facility.

**Eligibility:** Applications will be accepted from faculty at institutions of higher education in Kentucky. Eligibility is not limited to NASA Kentucky Space Grant Affiliate Institutions. US Citizenship is not required.

**Travel Grant Budget:** No budget submission is required.

**Kentucky Faculty (non-University of Kentucky):** Stipends will be paid to the participant after the travel and upon receipt of a brief report consisting of a summary of the experience and spreadsheet entries (email summary and spreadsheet to nasa@uky.edu). Recipients are responsible for all transportation, lodging and meals. Recipients are responsible for documenting travel expenses for income tax purposes.

**University of Kentucky Faculty:** Travel must be arranged per UK Travel policies. Support will be provided for departments to charge an account for reimbursement of eligible expenses up to the amounts listed in the table below. A brief report consisting of a summary of the experience and spreadsheet entries is required for reimbursement (email summary and spreadsheet to nasa@uky.edu).

**Deadlines:** Applications due (via email) at least one month before travel. Selection will be made within one week of application receipt. Applications accepted until 11/30/21 (or while funds remain); travel must be completed by 12/31/21.
